

## Directions to Rivar

From any direction, when reaching Newbury, follow signs for the A339. Once on the A339, at the KFC/police station roundabout, follow signs for The Wharf, Kennet Centre (Bear Lane). Continue across the mini roundabout (first exit) and follow the road through three sets of traffic lights. Pass the bus station on your left and continue straight across the next mini roundabout (second exit), keeping to the left lane through the next set of traffic lights. Follow the road round to the left onto Bartholomew Street and then take the next right at the mini roundabout (second exit) onto Craven Road. Take the first right off Craven Road onto Oddfellows Road. Continue along Oddfellows Road to the T-junction. Turn left onto West Mills and, at the second building on the left, you will see a small archway. Drive through here (taking care - it is narrow) and you will arrive at our car park. Our offices are located on the second floor.
